

OSHER LIFELONG LEARNING INSTITUTE, BOCA RATON FLORIDA ATLANTIC UNIVERSITY

Dear Lifelong Learning Participants ~

Our **Fall 2018** program book will be ready in the coming weeks. If you haven't already renewed your membership for 2018-19, this is a good time to do so — either with the form on the back of this letter or online at olliboca.online. We use your membership renewal as the basis for updating our address list and the dates when you are here in Florida. Please be sure to update your current email address so that we can send you information about upcoming programs and events.

We do a first-class mailing of our program book to **paid members**, i.e., those who have renewed their membership since March 2018; others can access it through our website or in local libraries a month or two after our membership mailing.

Our 2017-2018 programs received much praise. Because of the dedication of patrons like you, we continue to experience all-time records both in registrations and attendance. The success of any great organization lies not only in continued patronage from loyal long-time supporters but also in the addition of first-time attendees like we have witnessed this past year. Tell your friends and neighbors about our program. We always look forward to welcoming new members.

As you know, we have made great strides in improving our parking situation on the FAU campus. You no longer require special parking hang-tags. We simply register your license plate(s) and incorporate the requisite Parking, and Transportation fees into the costs of your program registration. Because of this convenient and affordable process, when you fill out your membership application, **you must include your automobile license plate(s) and State of Registration**. FAU has dedicated the front-half of Lot 15 as a reserved parking lot for our attendees.

We strongly encourage everyone to become an OLLI member. Membership dues allow us to provide exceptional programming. Membership also allows you, exclusively, to take advantage of our online registration site and avoid being "closed out" of "**sold out**" programs. Member benefits include (but are not limited to):

- Access to our members-only secure online registration system, allowing for a 10% overall discount;
- Priority registration over non-members;
- Discounts on series and special programs;
- Advance mailing of two (2) complete program schedules each year;
- Members are first to learn about, and attend, upcoming special events.

We are also pleased to announce some new benefits. These include:

- Group rates and season packages for FAU theater and dance productions offered by the College of Arts & Letters;
- Discounts on FAU football, basketball, baseball and softball games;
- Access to purchase an FAU Owl card at the discounted rate of \$10.00.

When you renew your membership and make a donation to our Annual Fund campaign, you renew your commitment and dedication to Lifelong Learning in Boca Raton. We are a self-sustaining auxiliary unit of FAU. We receive no funding from the State of Florida. All staff, faculty and presenter salaries, program enhancements, equipment costs, printing, mailing, and building repairs are paid through revenue generated by membership dues, program fees and your continued generous donations.

We hope you will use the form on the back of this letter to renew your membership. If you became a member or renewed your membership since March 2018, your membership is in good standing and there is no need to resubmit the membership application.

Sincerely,

Herbert Shapiro

Over the summer, our Administration building (across from the auditorium) will be undergoing some much-needed renovations and, as a result of construction, that building (along with our auditorium) will not be accessible until we are able to open again in time for "walk-in" registration later in September.
